Dear Parent/Guardian: The possibility of a major earthquake or other disaster in Washington makes it imperative that our students are prepared. If this were to occur during the school day, the possibility exists that your child(ren) would need to remain at school for up to 72 hours. It is vital that you provide an Emergency Survival Kit for each of your children. You may purchase prepackaged kits from NCS or you may make your own with the following listed below:

Emergency Survival Kit:

3-8 oz. Juices (canned are better since cans do not break)

3-4 oz. Cans of fruit with pop tops OR 3 snack size packs of dried fruit

3-Peanut butter or cheese & cracker type snack packs OR 3 granola bars

3-Plastic spoons or forks, wrapped in napkins

3-Individually wrapped moist towelettes (sealed)

Solar blanket

A note with your child's name, address, phone, parent/guardian's names, phone numbers, doctor's phone number.

Please enclose the items in a one-gallon storage bag, with your child's name on the outside. If your child requires daily medication, please contact the school to arrange a method of having the medication available in the event of an emergency.
